## Uniform Regulations

V2.2-151018

Full uniforms are to be worn for every class as described herewith as they help instil a basic sense of organisation and discipline which is so important in forming strong dancers.

*DPS* uniform items are to be ordered with the Administrator at **Dance Project Studios**. Shoes, tights and other basic items can be purchased from [The Dance Studio, Kappara](#) or online from [Dance Direct](#).

Students should attend class in appropriate attire for classes where no uniform is explicitly stipulated. Shoes must have non-marking soles.

Students trying out a class are exempt from coming in uniform however nonetheless are expected to be dressed appropriately for class.

Students will receive a **Dress Code Slip** from the class teacher when attending class without full uniform. The teacher will keep record of all Dress Code Slips handed out throughout a scholastic year.

The teacher may disallow a student to participate in class with repeat instances of attending class without full uniform.

Students are not permitted to wear any jewellery (earrings, necklaces, bracelets, rings, watches, etc.) to class as they may cause injury.
